

**School of Young Scientists,
organized in frames of 8th International Conference CC-2010
on Cryocrystals and Quantum Crystals
July 26, 2010, Chernogolovka, Moscow region, Russia**
<http://www.issp.ac.ru/cc2010/>

The CC-2010 conference organized by the Institute of Solid State Physics RAS, RAS Council on Low Temperature Physics, and RAS Council on Condensed Matter Physics will be held from July 26 to July 31 in Chernogolovka, Moscow region, Russia.

School of Young Scientists is planned to be on the first day of the conference, on July 26. Top-level experts in the field will give lectures in frames of the school.

Preliminary list of lecturers:

- Nobel prize winner, professor **David M. Lee** (Texas A&M University, USA),
- Professor **Russell Hemley** (Director of Geophysical Laboratory, Carnegie Institution of Washington, USA),
- Corresponding Member of NASU **Mikhail A. Strzhemechny** (ILTPE, Ukraine),
- Professor **Grigorii E. Volovik** (Landau Institute for Theoretical Physics, Russia),
- Dr. **Vladimir L. Tsymbalenko** (Kurchatov Institute, Russia),
- Professor **Valery V. Nesvizhevsky** (ILL, France).

Organizing Committee of CC-2010 has pleasure to invite students, PhD students and young researchers to participate in the School of Young Scientists. To register for the School, please e-mail a request to Olga Levchenko (CC-2010 Conference Secretary) at cc2010@issp.ac.ru. The current deadline for requests for participation is **May 30, 2010**.
